Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56 and §§1.97-1.98, Applicant hereby brings to the attention of the Examiner the following information.

The following documents were cited in an International Search Report with respect to International Patent Application No. PCT/JP2005/003724, of which the present application is the U.S. National Stage Application. A copy of the International Search Report has been filed concurrently with the present application and should thus have already been brought to the attention of the Examiner.

- (1) Japanese Utility Model No. HEI 6-28404, together with an English language computer-generated translation thereof;

P30558.A02

- (2) Japanese Laid-Open Patent Publication No. HEI 11-182590 A, together with an English language Abstract and an English language computer-generated translation thereof, and patent family member U.S. Patent No. 6,068,097; and
- (3) Japanese Laid-Open Patent Publication No. HEI 3-251374 A, together with an English language Abstract of the same.

The relevance of the documents cited in the International Search Report, as ascertained with respect to the international claims by the International Examiner, is set forth in the International Search Report.

Applicant further brings to the attention of the Examiner the following documents:

- (4) Japanese Patent No. HEI 6-53350 B2, together with an English language computer-generated translation thereof. Applicant notes that this document is cited beginning at page 1 of the specification of the above-captioned application; and
